

Invitation to ELSOC 2026 Alumni Night

From: ELSOC Socials Executive

To: You

Dear ELSOC Alumni,

I hope you are well!

By way of introduction, my name is Ellie Liu and I'm the 2026 Socials Executive for UNSW ELSOC (Electrical Engineering and Telecommunications Society).

I'm reaching out to warmly invite you to attend our upcoming **2026 Alumni Night**. This event would be a wonderful opportunity for you to reconnect with your peers, the EET lecturers and faculty, and network with current students in a casual setting. The event will be catered with food and drinks.

EVENT DETAILS

- **Day:** Friday, 3 July
- **Time:** 6pm - 8pm
- **Location:** Rooms 3 & 4, Roundhouse, UNSW Kensington 2052

As usual, we will also head back to Level 2 of the EE&T building after the main event ends.

We are hoping to bring together UNSW Electrical Engineering (and related discipline) alumni from a range of industries and career paths to inspire our current students and foster meaningful conversations about the university experience, future career paths, and the transition from university to working in industry.

Therefore, I would greatly appreciate it if you could circulate this invitation within your personal network, or to anyone you know who may be keen.

If you are interested in attending, please fill out this EOI form:

<https://forms.gle/L6CTbohYCsLS9eD8>.

The form helps me gauge numbers for catering and other logistics (you are welcome to attend on the day without submitting the EOI beforehand).

Please feel free to email me at events@elsoc.net if you have any questions or concerns. I hope to see you all there!

Best regards,

Ellie Liu (she/her) | Socials Executive

Room 210, Level 2, Electrical Engineering & Telecommunications Building (North Block)
