

POSTED to EE&T ALUMNI  
19 MARCH 2025

Sections: -- Elsoc's Transgrid Tour -- Rolling Entrant YT Clips -- 40th Reunion Progress -- Image Credits

Autumn is a good time to gather your floating or orphaned project pieces back together for the Southern Hemisphere's equinox on the 20th March. If you're in the Northern hemisphere, you should gain a better Spring in your steps soon.

## == ELSOC's TRANSGRID TOUR ==

As a followup, they shared on their LI page:

{

Earlier this week, ELSOC organised a site visit to Transgrid, giving students the opportunity to gain valuable industry insights.

The visit included a presentation on Transgrid's work and future direction, a Q&A session with industry professionals, and a tour of their underground substation.

}

## == ROLLING ENTRANT YT CLIPS ==

1) -- FRC -- Southern Cross Regional at Macquarie Uni.

ElecEng is a sponsor for the EMU Robotics High School Students - Team 4729. Their evening workspace is in EE G14.

}

If you notice the defending Robot on the left, Blue 4729, you'd say there was no propagation delay between the person at the controls and the machine in the ring.

:

It leaves the Pac-Man arcade game in the dust! My fingers & palms may twitch a few times in tonight's sleep after mentioning the game with its unique and catchy sounds.

:

For the second time in a row, Team 4729 won the Sustainability Award where the robot had regenerated (\*) from last year's entrant.

(\*) Dr Who pun intended.

2) -- F1 Championship --

As they posted in the description, "Relive the incredible action from the Australian Grand Prix, which featured multiple crashes, changing weather conditions, Safety Cars and a late-race downpour that caused drama until the final flag."

## == 40<sup>th</sup> REUNION PROGRESS ==

The Head of School, Prof. Jinhong Yuan, has offered a tour of the refurbished building in the afternoon before the evening reunion on Friday, 5th September 2025.

Luke and Gunilla are revolving around a common centre to increase awareness and momentum from their ElecEng undergraduate connections.

// @Gunilla
