

# ELSOC Newsletter

## Term 1 - - Week 3, 2025

From: ELSOC President  
To: You; ug\_all; EETstaff

Tue 04-Mar-25 7:07 PM

Hi everyone,

Hope you are settling into 2025 nicely, our fantastic publications team has been hard at work bringing you the latest and greatest ELSOC updates, please enjoy our first newsletter of the year!

### -- WEEK 3 NEWSLETTER --

Welcome everyone to a brand new year! For some of you this will be your first term at UNSW and I'm sure you're feeling excitement and trepidation in equal measure. But don't worry, ELSOC has plenty of resources to help you find your feet!

If you haven't already...

Check out our amazing first year guide here! [FIRST YEAR GUIDE 2025.pdf](#)

And our publicly available course notes here! <https://www.elsoc.net/academics>

This is just the tip of the iceberg of what ELSOC has in store for you all. Make sure to follow us on instagram, facebook and linkedin for more study resources, networking opportunities and social events!

## UPCOMING EVENTS !

### First Year Camp

WIESOC, ELSOC, BESS, RAMSOC, AND TWEET have teamed up to bring you first years a camp.

This three day getaway is a total rite of passage and easily the best way to meet people in your cohort and make friends you'll have for the rest of your degree!

A guaranteed good time, this trip features activities such as dodgeball, water balloon fights, card games, trivia, and sports competitions during the day, and some crazy parties with drinking games (both alcoholic and non-alcoholic!) and dancefloors during the night.

We're really excited to see everyone there!

## Subcommittee Recruitment

**SUBCOM RECRUITMENT**

**A great opportunity to make new friends, make an impact and be a leader with ELSOC!**

**MARKETING INDUSTRY WORKSHOPS**  
**MEDIA HUMAN RESOURCES SOCIALS ACADEMICS**

🎉 Join the ELSOC team!!!

🎉 Subcom is the perfect way to meet new people from your degree and learn leadership and teamwork skills

★ Read more about the different portfolios here: [2025 SUBCOM RECRUITMENT GUIDE 1.pdf](#) and apply using this link: <https://forms.gle/GREBuUrtx8tS7LWJ8>

Applications close Friday week 4 ⚡

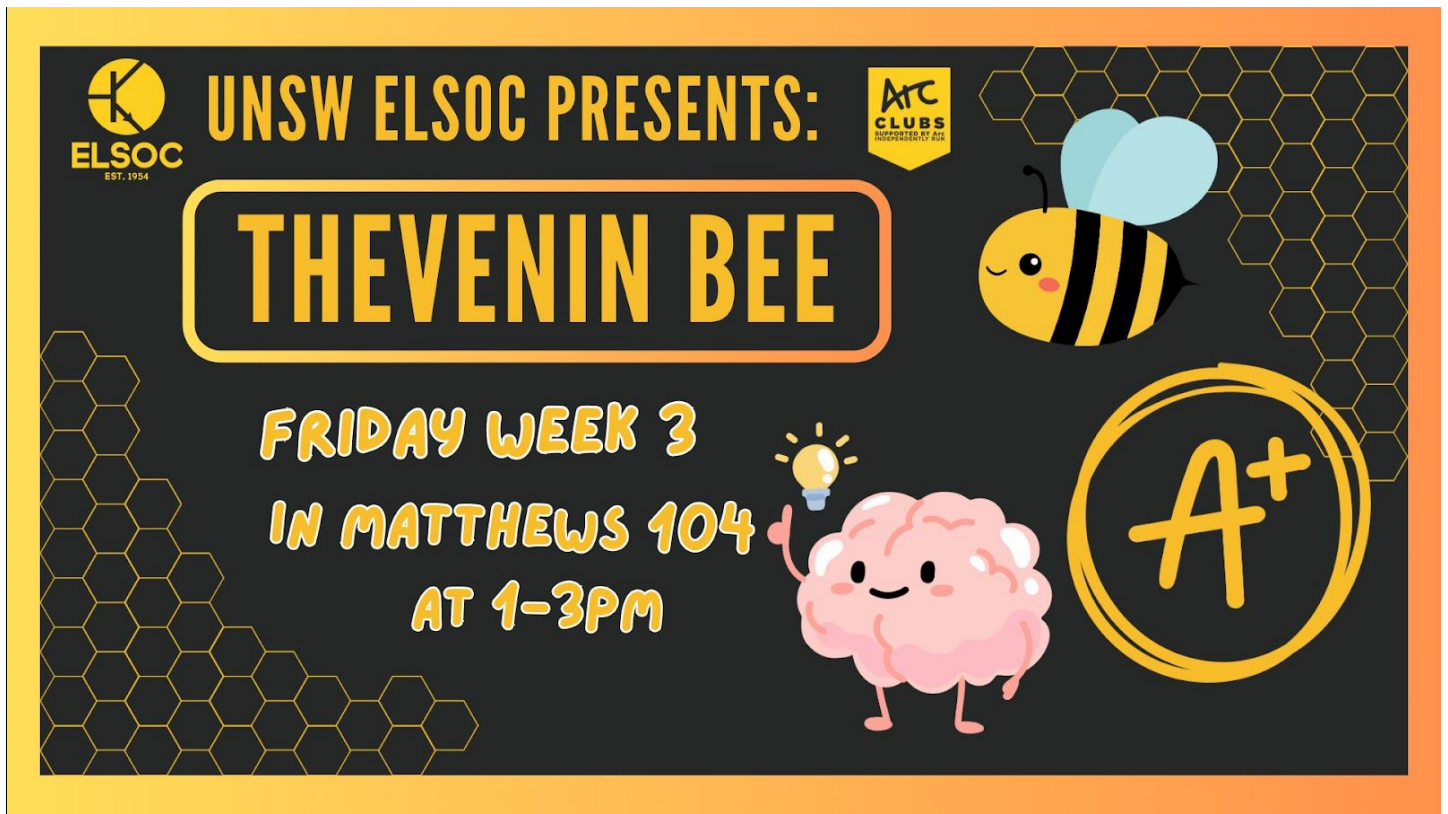

## LaTeX Workshop

Come join us to master writing LaTeX an extremely valuable tool 🧠 for maths subjects or just any general note taking 📝

We'll teach you some tips and tricks to boost your confidence and get you better at working with LaTeX!!

## Thevenin Bee

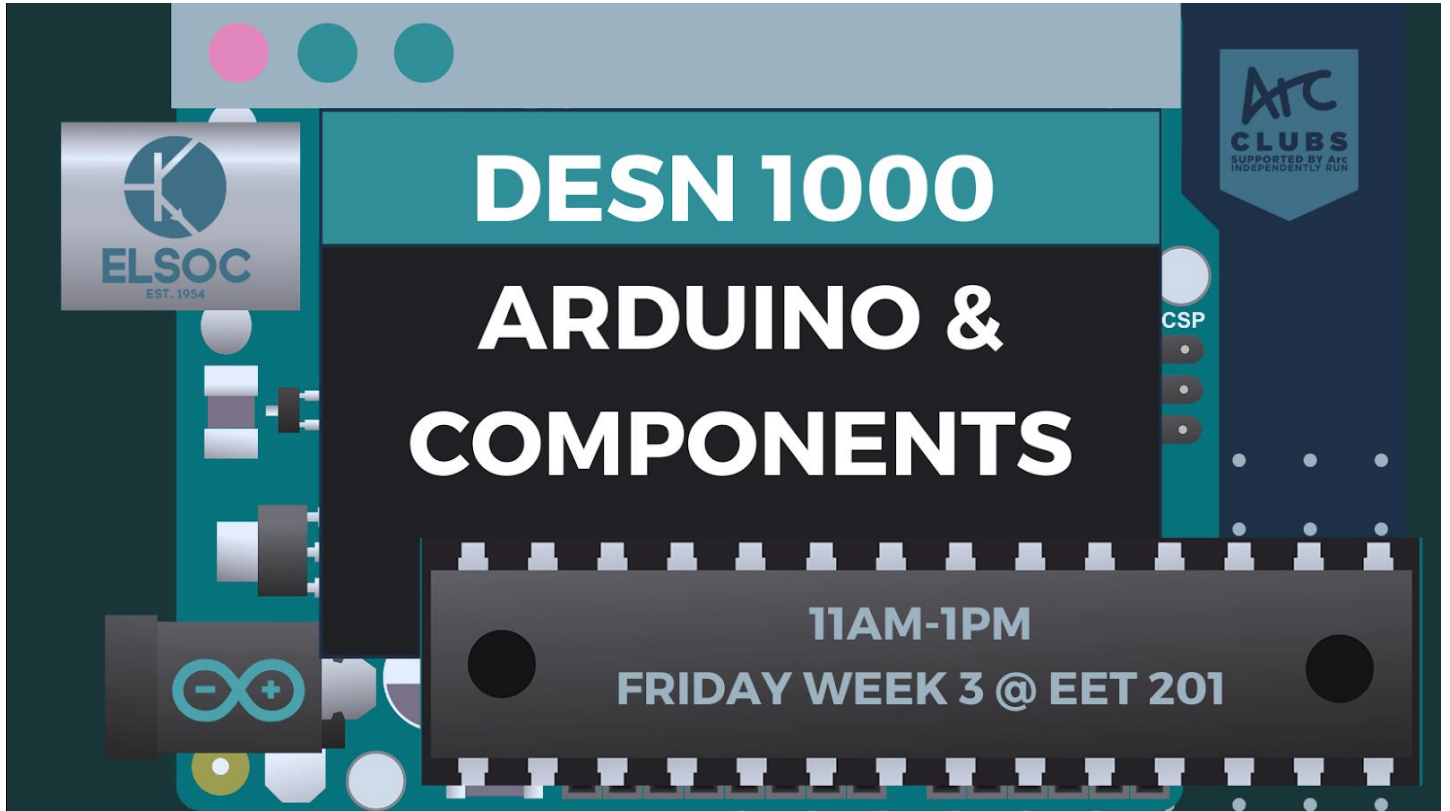

Come join us and master your circuit analysis skills at our Thevenin Bee ⚡⚡

This event is great preparation for ELEC1111 to practice all you have learnt with some fun or just to see how much you've mastered your skills after taking the course 🐝🐝🐝🐝

# DESN1000 Arduino and Components

## Workshop

Want to learn more about Arduinos for DESN1000? Our workshop will help get you prepared for using an Arduino for your DESN1000 project.

Come along and learn key concepts that will help bring your project to life ⚡⚡⚡

## PAST EVENTS !

Here are some of the past events that we've put together to kick off the term 🎉🎉🎉

### Intro to Uni Q&A Session

It was great to welcome all of the new electrical engineering students to UNSW and answer their questions about their experience so far.

## Project Demonstration Night

It was great seeing everyone's creative designs at project demonstration night!

## Transgrid Site Visit

A big thank you to everyone who joined us at our events in these last couple of weeks!!! We hope that you had a great time and we hope to see you more at our events that are upcoming :D

## Industry Opportunities

S3B and the Aussie Chip Collective are pleased to invite you to a Students in Semiconductors event at Cicada Innovations.

There will be a talk on the current state of the sector in Australia, the launch of the Aussie Chip Collective and networking opportunities with industry and researchers in semiconductors with food and drinks provided.

This is a fantastic opportunity to network with industry leaders and researchers, all while enjoying delicious food and drinks. Don't miss out on this chance to connect, learn, and be inspired!

Please see attached flyer for more information.

 5 to 7pm to the 27th of March.

 Cicada Innovations

 Register Here (<https://www.eventbrite.com.au/e/student-semiconductor-event-tickets-1263110269819?aff=oddtcreator>)  
by the 20th of March

If you have any questions feel free to reach out! We are always ready to help!

Keeping up the connection,
