Hi all,

I hope you're all doing well. Our publications team has been busy creating a newsletter for you all to read! I hope you enjoy!

I would like to highlight our merch which our creatives team has been passionately working on - find the link here: [ELSOC's Finest Winter Merch LINK](#).

Have a great week, only a few weeks before the end of term!

-- WEEK 8 NEWSLETTER --

HELLOO ELSOC FAMILY !!!

Welcome to a wonderful week 8.

It's Week 8, also known as the point in the term where deadlines, midterms, and existential dread start tag-teaming. It's perfectly normal to feel a bit overwhelmed☹️. We're all in this together. But don't worry — it's also Stress Less Week, which means it's officially okay to pause, reset, and remind yourself that you're doing your best 🗑️. In other words, DOOMSCROLL 📱. Taking breaks is the perfect remedy to getting rid of those nightmares on those wacky KCL equations.

With that in mind, ELSOC's got a few events to help you break up the chaos. Take care of yourselves, and we hope to see you around 💖

PAST EVENTS

ELSOC's Cheeria

We brought our collective childhood dream of bringing the coolmaths game to life!

(Papas cheeseria was and **still** is the GOATest game - if you have any sort of argument against it - please unsubscribe from this newsletter 😊)

Merchandise

We dropped some MERCH!

We KNOW that you've run out of uni fits - so did we.

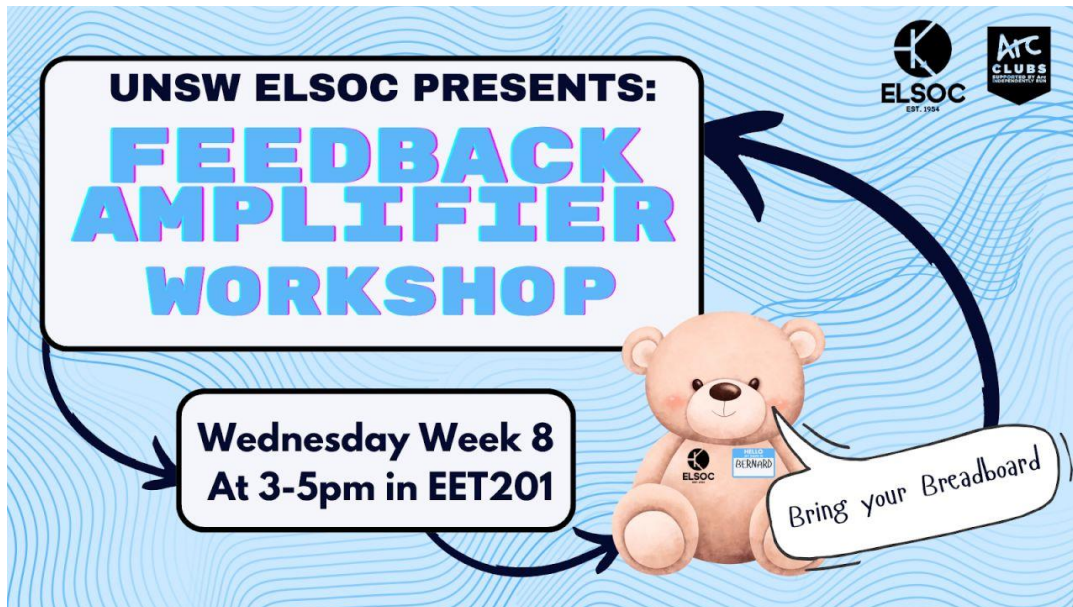

So we decided to DO something about it.

Presenting, literally the hardest merch drop of all time.
