Depeche Mode - "Enjoy The Silence" (Official Video) directed by Anton Corbijn

Original song from the 'Violator' album (Sire/Mute Records - 1990)

Lyrics

Words like violence

Break the silence

Come crashing in

Into my little world

Painful to me

Pierce right through me  
Can't you understand  
Oh my little girl

All I ever wanted  
All I ever needed  
Is here in my arms  
Words are very unnecessary  
They can only do harm

Vows are spoken  
To be broken  
Feelings are intense  
Words are trivial  
Pleasures remain  
So does the pain  
Words are meaningless  
And forgettable

All I ever wanted  
All I ever needed  
Is here in my arms  
Words are very unnecessary  
They can only do harm

Lyrics

When I'm with you baby  
I go out of my head  
And I just can't get enough  
And I just can't get enough  
All the things you do to me  
And everything you said  
I just can't get enough  
I just can't get enough

We slip and slide as we fall in love  
And I just can't seem to get enough of

We walk together  
We're walking down the street  
And I just can't get enough  
And I just can't get enough  
Every time I think of you  
I know we have to meet  
And I just can't get enough  
I just can't get enough

It's getting hotter  
It's a burning love  
And I just can't seem to get enough of

And when it rains  
You're shining down for me  
And I just can't get enough  
And I just can't get enough  
Just like a rainbow  
You know you set me free  
And I just can't get enough  
And I just can't get enough

You're like an angel  
And you give me your love  
And I just can't seem to get enough of

## Lyrics

Precious and fragile things  
Need special handling  
My God what have we done to you  
We always tried to share  
The tenderest of care  
Now look what we have put you through

Things get damaged  
Things get broken  
I thought we'd manage  
But words left unspoken  
Left us so brittle  
There was so little left to give

Angels with silver wings  
Shouldn't know suffering  
I wish I could take the pain for you  
If God has a master plan  
That only He understands  
I hope it's your eyes He's seeing through

Things get damaged  
Things get broken  
I thought we'd manage  
But words left unspoken  
Left us so brittle  
There was so little left to give

I pray you learn to trust  
Have faith in both of us  
And keep room in your hearts for two

Things get damaged  
Things get broken  
I thought we'd manage  
But words left unspoken  
Left us so brittle  
There was so little left to give

Depeche Mode - "Walking In My Shoes" (Official Video) directed by Anton Corbijn

Original song from the 'Songs of Faith and Devotion' album (Sire/Reprise - 1993)

### Lyrics

I would tell you about the things they put me through  
The pain I've been subjected to  
But the Lord himself would blush  
The countless feasts laid at my feet  
Forbidden fruits for me to eat  
But I think your pulse would start to rush

Now I'm not looking for absolution  
Forgiveness for the things I do  
But before you come to any conclusions  
Try walking in my shoes  
Try walking in my shoes

You'll stumble in my footsteps  
Keep the same appointments I kept  
If you try walking in my shoes  
If you try walking in my shoes

Morality would frown upon  
Decency look down upon  
The scapegoat fate's made of me  
But I promise now, my judge and jurors  
My intentions couldn't have been purer  
My case is easy to see

I'm not looking for a clearer conscience  
Peace of mind after what I've been through  
And before we talk of any repentance  
Try walking in my shoes  
Try walking in my shoes

You'll stumble in my footsteps  
Keep the same appointments I kept  
If you try walking in my shoes  
If you try walking in my shoes  
Try walking in my shoes

Now I'm not looking for absolution  
Forgiveness for the things I do

But before you come to any conclusions  
Try walking in my shoes  
Try walking in my shoes

You'll stumble in my footsteps  
Keep the same appointments I kept  
If you try walking in my shoes  
You'll stumble in my footsteps  
Keep the same appointments I kept  
If you try walking in my shoes  
Try walking in my shoes  
If you try walking in my shoes  
Try walking in my shoes

Lyrics

People are people  
So why should it be  
You and I should get along so awfully

So we're different colours  
And we're different creeds  
And different people have different needs  
It's obvious you hate me  
Though I've done nothing wrong  
I've never even met you so what could I have done

I can't understand  
What makes a man  
Hate another man  
Help me understand

Help me understand

Now you're punching  
And you're kicking  
And you're shouting at me  
I'm relying on your common decency  
So far it hasn't surfaced

But I'm sure it exists  
It just takes a while to travel  
From your head to your fists

Lyrics

My little girl  
Drive anywhere  
Do what you want  
I don't care  
Tonight  
I'm in the hands of fate  
I hand myself  
Over on a plate  
Now

Oh little girl  
There are times when I feel  
I'd rather not be  
The one behind the wheel  
Come  
Pull my strings  
Watch me move  
I do anything  
Please

Sweet little girl  
I prefer  
You behind the wheel  
And me the passenger  
Drive  
I'm yours to keep  
Do what you want  
I'm going cheap  
Tonight

You're behind the wheel tonight

Lyrics

I've got to get to you first

Before they do

It's just a question of time

Before they lay their hands on you

And make you just like the rest

I've got to get to you first

It's just a question of time

Well now you're only fifteen

And you look good

I'll take you under my wing

Somebody should

They've persuasive ways

And you'll believe what they say

It's just a question of time

It's running out for you  
It won't be long  
Until you do  
Exactly what they want you to

I can see them now Hanging around  
To mess you up  
To strip you down  
And have their fun  
With my little one

It's just a question of time  
It's running out for you

It won't be long  
Until you do  
Exactly what they want you to

It won't be long  
Until you do  
Exactly what they want you to

Sometimes I don't blame them  
For wanting you  
You look good  
And they need something to do  
Until I look at you  
And then I condemn them  
I know my kind  
What goes on in our minds

It's just a question of time

It should be better  
It's just a question of time  
It should be better with you  
It's just a question of time

## Lyrics

As your bony fingers close around me  
Long and spindly  
Death becomes me  
Heaven can you see what I see

Hey you pale and sickly child  
You're death and living reconciled  
Been walking home a crooked mile

Paying debt to karma  
You party for a living  
What you take won't kill you  
But careful what you're giving

There's no time for hesitating  
Pain is ready, pain is waiting  
Primed to do it's educating

Unwanted, uninvited kin  
It creeps beneath your crawling skin  
It lives without it lives within you

Feel the fever coming  
You're shaking and twitching  
You can scratch all over  
But that won't stop you itching

Can you feel a little love  
Can you feel a little love

Dream on dream on

Blame it on your karmic curse  
Oh shame upon the universe  
It knows its lines  
It's well rehearsed

It sucked you in, it dragged you down  
To where there is no hallowed ground  
Where holiness is never found

Paying debt to karma  
You party for a living  
What you take won't kill you  
But careful what you're giving

Can you feel a little love  
Can you feel a little love

Dream on dream on

Lyrics

There's more besides  
Joyrides  
The little house in the countryside  
Understand  
Learn to demand  
Compromise  
And sometimes lie

Get the balance right  
Get the balance right

Be responsible  
Respectable  
Stable but gullible  
Concerned and caring  
Help the helpless  
But always remain  
Ultimately selfish

When you think you've got a hold of it all  
You haven't got a hold at all  
When you reach the top  
Get ready to drop  
Prepare yourself for the fall  
You're gonna fall  
It's almost predictable

Almost

Don't turn this way

Don't turn that way  
Straight down the middle until next Thursday  
First to the left  
Then back to the right  
Twist and turn 'til you've got it right
